Slim attractive lady, pretty much as she looks on the website.

The Story:

You know what you're getting with London Retreat. Well run, respectable, attractive ladies, sex-and-domination, pain in the arse to book and you know you'll always have 5-10 mins shaved off the booking.

I asked for seduction, tie and pain, "forced" pussy licking and then to be used as a human dildo. I didn't get the seduction, just got tied down. Everything was very distant, like she didn't want to come within a foot of me. When it was coming to the end and I asked about sex, she said that she doesn't really like doing it and LR's clients don't generally ask for it. I didn't push things and left.
