The Premises:

Basement flat on a road running parallel with Queensway, short walk from both Queensway and Bayswater tube stations . Flat is immaculately clean.

The Lady:

She is very attractive and sexy, just like her photos, with a petite toned body, and a great personality. I have seen her a couple of times now, first at Edgware Rd, a previous cramped flat in Bayswater and finally at her new place which is a definite upgrade on the previous ones. I asked that she wear one of the outfits from the website, but instead she wore an equally sexy pink net skin tight mini dress

The Story:

Compared to previous meetings I was greeted warmly and led into to flat, which was much nicer. I was led to the sofa and offered to a drink in a shot glass - there was a lot of lead in time and I could tell we would only have time for one pop, but I didn't mind. She started to grind on my lap while the music was playing. It felt like an upmarket strip joint. Returning to the sofa after a shower she sucked my balls, had me straddle her face while she rimmed me.

She promptly straddled me with the sofa and I fucked her wildly bucking. I pushed her over the bed and carried on from behind. I whispered into her ear that I wanted anal. She promptly lubed up and lay down face down and instructed me to enter her - she was very tight at first, so much so I pulled out. She shouted at me ' what are you doing?! Put it back in!' She relaxed and then the pounding started, with her screaming out, as she relaxed that I 'ass fuck her, harder!' Not one to disappoint I pounded her harder and came. When I did, I got told off again for not telling her that I was about to!

She gave me a quick massage before it was time to shower and go! Another great visit
