The Lady:

Heidi is a short girl about 5ft 3 tanned skin big enhanced boobs nice legs pretty face but looks older than her profile pics. Quite slim nice legs.

The Story:

I was impressed by her tits as she opened the door. She likes to get to know her clients which I think is great. Told her all she wanted to know undressed and she offered nuru massage so I said yes. Bear in mind if you go for a nuru massage a lot of oil is used so owo will probably not be offered.

The massage was good. She did a normal massage first which was nice then the nuru massage. Was great to have her body sliding around mine. She used plenty of oil too. She sweats a lot too which I didnt mind.

After the massage I couldnt get hard enough for penetrative sex so she tried her hardest to get me off but unfortunately I was unable to cum. A quick shower and more chat and I left.
