The Lady:

Daisy or Dollie Little as she is also known as is a slim girl about 5ft 6in small tits slender legs.

The Story:

I know her from her porn work and she is a very good porn star so I went for the filmed PSE which was 40 extra. I filmed on my phone and she told me to start filming as she entered the room. She directed the scene very well gave me a nice owo after cleaning my cock nice and deep. Moved onto the bed she presented her pussy on all fours which I ate and fingered. She has a nice pussy. More owo and fucking all filmed and I finished on myself which she played with.

She's a good talker and great company.
