Late 40s deeply tanned classic MILF looks. Great big tits short in size in great shape for her age.

The Story:

This is the 2nd time I have seen Lisa. She is a wonderful caring woman always eager to please. Her personality is lovely and she is also filthy as hell.

She opened the door and looked great. Lovely deep french kissing was offered a shower which I took which doesn't come out of the time. She is very adamant about ensuring that you get the most time possible which is very refreshing.

She gave me a nice sloppy deep bbbj then insisted on rimming my arse which felt incredible. The good old rusty trombone sticking her tongue deep in my anus whilst wanking me off was divine.

More owo kissing tit fucking she really aims to please. After a shower to finish we said goodbye. Great girl.
