The Story:

Jodie gave an excellent massage on my tired legs - it was if she knew by magic what needed attention. Worked across my body and helped a really sore neck. I love it the way Jodie leans her body into you - her skin and indeed her holdups brushing against me.

As the session progressed her hands and fingers glided across my bum, ass and around to to my balls and cock. All assisted by loads of oil, this was so exciting. She asked me to turn over and my excitement moved up a gear. As she worked my cock, Jodie gave me an exceptional prostrate massage. It was amazing, Jodie really blinked what she doing. Wonderful organism, nice gentle touching as I recovered. When I finished the shower Jodie scrubbed my back with a fragrant potion and this just made an exceptional experience even better.
