The Premises:

Nice modern flat in a quiet street. Clean well kept excellent shower facilities hot and powerful. Good parking free on street or 1 pound an hour off street. I rode so did not matter.

The Lady:

Absolutely stunning. Slim fit tight toned body. Bang fit. Blonde beautiful face no make up (didn't need any to be honest she is a natural beauty) incredibly sexy shapely legs (her best feature in my opinion), perfect really. Tight toned midriff slender arms soft smooth lightly tanned skin. Small breasts but still plenty big enough to suck on plus they were nice and soft with lovely nipples. Sophie is pretty much supermodel quality.

The Story:

I came across her profile read her reviews and decided to arrange a meeting with Sophie. Her rates were low for a woman of such quality to be honest she should be elite class. Anyway called her no answer she called me back and arranged to meet within a couple of hours. She sms her postcode. I arrived sms her she called back with her exact address. Got buzzed into her flat she opened the door and my goodness what an incredible sight. Wearing red lingerie I feasted my eyes. Originally booked 30 mins but having seen her changed to 1 hour. Trust me there is no point booking her for 30 mins you need an hour at least.

Advised to take a shower which is no problem. Her shower was clean hot and powerful unlike some other places I have experienced.

Came out and Sophie had changed into the requested short schoolgirl outfit as seen in her profile pics. Looked amazing. She gave me a quick lapdance twerking me which was awesome. She smelt divine to boot. Loved hugging her close. Her bum was petite and perfect for a squeeze.

She gave me ow as stated on her profile which was no issue for me. Had a fantastic 69 sess needless to say she was very clean and enjoyed rimming her deeply. Spent a good 20 mins eating her arse and pussy before she took it up a notch and introduced BDSM spitting foot worshipping spanking whipping flagellating etc. Loved her spitting in my mouth whipping me hard slapping my face hard talking dirty treating me like a dog. I was her stupid dog and loved it.

Time up showered again before saying goodbye. Couldn't stop thinking of her on my ride home. I've

seen hundreds of women over the years and Sophie is without doubt in the top 3. She is the holy grail of punting and quite frankly after seeing her it isn't worth seeing other girls.
