### The Premises:

Nice apartment, no issues, straight forward to find and parking was easy.

### The Lady:

Polish girl and the photo's on A/work appear to be recent. Very tall with pretty nice figure and a really nice pair of tits.

### The Story:

Normal routine of hiding behind the door as I knocked and wow I was really impressed. Good english and very friendly. Sorted the paperwork out and for some reason I was really nervous which isn't like me. I was offered and took a shower came out and she had brought me the glass of water that was offered.

Anyway bit of light kissing and then full on dfk, that quickly led to her losing her clothes and OWO and a prolonged session of 69 before I had to ask her to pause for a minute. I carried on going down on her clean shaven and very tasty, she made all the right noises and we ended up in a side on 69 again which led to me finishing CIM . Very nice . Had a brief clean up before headed back for round two, a bit of light massage, more reverse oral and then john thomas perked up and we put a bag on and tried a couple of positions. Finished in doggy and wow was that a sight to behold. Really enjoyable hour with a nice girl who I'd see again.
