The Premises:

Terraced house in a village outside Burnley in Lancashire.

Easy parking and easy to find. No issues with neighbours as it was during the day and not many people around.

The Lady:

Very attractive, photo's are accurate and a pretty mid forties lady who could easily pass for younger. Athletic build small tits beautiful arse.

The Story:

I had spotted Victoria's profile and the fact she was from Chipping Norton which is close to me.

When I contacted her she said she was working in Lancashire for 2 weeks. Had quite a few emails back and forth and then we agreed to meet in December when she'll be back in Chipping Norton.

By chance the following day I found out I was going to be in Preston the following week and emailed and agreed to see her up there.

Bit of a mess around with the final arrangements as she was reluctant to give out her phone number, but we got there in the end. She explained that she'd nit been at this long and had given her number out to someone who was being a pest. She has an iphone so i showed her how to block numbers which she didn't know about.

Greta personality and genuine lady. Stripped off and we were into DFK very quickly her hands were exploring my bits and it wasn't long before we were on the bed she was performing OWO, great technique and I had to call a halt to that pretty quickly before i shot my load. I returned the flavour and a very tidy, full shaven pussy . She made all the right noises and came quite quickly and then she took control a bit. Put a condom on with her mouth which was neat and then went on top cowboy, reverse cowboy and then doggy when I managed to slip a finger up her bum which she didn't complain about in fact she gave out a moan. Finished with OWO and CIM and she carried on gently after I came for just enough time stroking my balls as well. It was very nice and no complaints at all. Looking forward to round two next week.
