The Premises:

Well known parlour in Bletchley, plenty of parking (although on this occasion It was full and had to drive off and find another free carpark nearby), the house has seen better days, but it is warm and has 4 bedrooms. For the second week running I was in a downstairs room that until last week I had no idea existed - not the one opposite the front door but next to the "kitchen" and downstairs shower.

The Lady:

The photos on the website are definitely her, very slim young blonde with lovely breasts, if you like the photos, you will like her. Her English is still a bit limited having been in England for 6 months or so, so conversation does not flow.

The Story:

I was waiting in the room with my glass of water provided by a very chirpy happy young maid got my clothes off down to my boxers and within a minute in came Paris dressed in a black one piece lingerie set, a fabulous slim body and quite a pretty face.

We stood and kissed (just lips no open mouth) and I explored her body while she gripped and rubbed my penis. It was clear everything was to be at my instigation so I got her to remove her lingerie and sat her on the bed whilst I knelt on the floor and gave her oral, there were gentle moans and a moment when she gripped my hands on her thigh tightly before relaxing, I might have made her cum, but I don't think so, we then both got on the bed together and after some wet wiping took me in her mouth, it was nice but not great, so I leaned over and got the condom off the side table to give to her, she put this on and said "you want more blowjob?" I said yes and this was really good, she was much more into it, gripping my shaft, lots more swirling tongue action all quite lovely. I asked her to mount me and she did in cowgirl, a few minutes of that and we or I messed up the rhythm, so just let her bounce up and down which provided an excellent view of her quite lovely breasts and nipples, she is young and has a very young tight body, and so after only a few minutes I climaxed and she smiled, got off and cleaned me up. Paris offered a massage, but I declined and got her to lay with me, conversation as I said did not flow, so decided to get dressed.

In conclusion: She has a fantastic tight slim youthful body and a pretty face, I enjoyed my time and very happy to have met her, There are others in the parlour that I am keen to move on to.
