Very cute young English girl. Tanned, pretty and a great figure.

The Story:

Saw Jordan's photos on Twitter and couldn't resist a visit. As per the photos she is a great looking, slim, tanned young English girl. Very friendly too. Advertised as all services except anal so thought this would be fun.

Think it was Jordan's first day and was delighted to make a booking. Was even more pleased when she walked through the door in black underwear.

Money exchanged then it went a little downhill.

Sadly Jordan was reluctant to kiss or receive oral. Oral was without but with lips not touching anything. No rimming, CIM or facial.

Was a lovely, fit girl but services need updating on the website.
