The Premises:

A private flat in a block near Tower Bridge Road. I have seen other girls in those flats. They have discreet intercom entry and they are clean inside.

The Lady:

A black lady, size 10/12 with B cup breasts. She was wearing a basque and stockings when I entered the room.

The Story:

I enjoyed the session because Felicity was friendly and she didn't hurry me. I just wanted a lay back and relax slow topless hand relief session. Her skin was lovely and silky and I spent some time sucking her nipples. She gave me a wonderful hand job. It was gentle and slow and I had a very satisfying release. I needed a break from white East European girls.
