### The Premises:

Situated on a main road with plenty of parking in surrounding streets if no spaces in the parking bay outside.

Clean tidy rooms with shower facilities.

Very friendly staff.

### The Lady:

Star is around 5ft 3 inch I guess, very pretty and a great body. Her photos are good but she is much better in person. She has a darker skin tone than her photos looking more Indian than olive skin.

### The Story:

I've seen Star a few times and for me the experience gets better and better. She really does feel like your girlfriend for the time you are together. She makes you feel comfortable, likes a chat and has a great smile. Great oral and sex with a gorgeous, petite, hot sexy Latina with beautiful dark eyes and the Spanish accent. Whats not to love.

Star is a wonderful lady so please treat her with the respect she deserves.
