Relatively easy to find a short walk from West Kensington Underground Station, a basement flat in a safe neighbourhood that was very smart and clean with good facilities available.

The Lady:

Beautiful and perfect in every way. All you have read before should make you want to visit. All I will say is I was not any way disappointed.

The Story:

This was my 1st time visiting Olivia and I am so glad I could fit in around what seemed to be an unsurprising busy schedule. Once I had introduced myself it was like we were long time lovers, Olivia is so infectiously sexy, a perfect kisser and a beautiful soul. Before we knew it the 30 minutes were up and I have been smiling ever since. Next time I will book for an hour and I still think that won't be enough and that is testament to how perfect a partner Olivia is and how she made me feel. Treat Olivia well and you will not regret it.
