The Story:

Not punting as much as I was atm

:-/

Whilst I am indebted to Punternet for helping me punt better

Kinda thought I would stop reviewing

But after seeing Confuscius' recent review i thought nah, he's continuing to do what he does; reviews do make a difference, and I will follow his lead

So here goes

This was about a month ago

Was arranged impromptu

Both ladies were free and the maid sorted a duo for me

Was a very cool punt

Think their first time together

But both very good at what they do

So everything flowed nicely

OWO, face sitting and got Isabella to ride me in CG

Fully recommended
