### The Premises:

First floor flat in Victoria, 10 mins walk from the station. Comfortable and clean, with provided shower and a comfortable bed.

### The Lady:

Apple is a lovely Asian woman in her 20's, with a slim figure, long legs, and a really beautiful face. She closely matches her photos.

### The Story:

I first visited Apple over four years ago, and have seen her regularly ever since. This is my first review on her since then. If I have an ongoing sexual liaison with somebody it is important for me to enjoy her company as well as the sexual experience. Apple obviously fits the bill on both counts! Moreover she has an extensive range of services, all expertly delivered, and thoroughly enjoyed.
