### The Premises:

An easy incall around Bayswater, luckily enough only a couple of doors down from where I was staying! Neat and tidy apartment. Was made to feel very welcome, nice shower etc.

### The Lady:

Dominica is the girl in the pictures. There's a little touching up going on, but nothing to get your nose out of joint about. She's young and pretty, with a really nice body. Perky boobs and a great ass. Her English is very good also considering this is her first visit to the UK. Cheerful and lovely to be around.

### The Story:

For an incall at this price you can't go wrong. Dominica looked fabulous in a red all in one lingerie thing and high heels. She's made herself up too and really did make an effort. Started with plenty of kissing and straight down to it. She gave great OWO. Not that deep, but with plenty of enthusiasm. Sex was enjoyed in a variety of positions, and she lets out some lovely genuine sounding moans of pleasure during. I'm sure she came in missionary towards the end; certainly felt like it. Finished with some more OWO and CIM with swallow! Every service was delivered willingly and with pleasure.
