The Premises:

Small flat, clean rooms, friendly maid... Short walk from the tube station and easy to find. Just watch it on the steps going down coz they are a bit tricky.

The Lady:

Sophie is a gorgeous lady, classy, mature (as stated on the website), very friendly and completely down to earth. Makes you feel comfortable and at ease. Great body and a beautiful face.

The Story:

I went through a lot of reviews on this site before booking and i was definitely NOT disappointed. Sophie is one of the most sensuous escorts i have ever spent time with and all those positive reviews are entirely justified. She is really warm and friendly and if you're after a GFE as i was, she's perfect. Nothing was rushed, she gave her full attention all the time and that smile, same as on her photos, never left her face. Unfortunately there wasn't much time for conversation, as things took longer than anticipated (in a very good way)... will make sure i book a longer session next time because her personality is as captivating as her body. Yes, there will most definitely be a next time.
