### The Premises:

Small, cosy basement flat. Short walk away from tube station, easy to find. Stairs can be slippery when wet :)

### The Lady:

Slim and beautiful petite Romanian girl. Very friendly and easy to talk to. Photos are only slightly airbrushed - quite accurate.

### The Story:

Spent a great hour with Nicola. Started off with some small talk before moving on to the main event. She's very good at what she does and seems to enjoy it too. She offers A-level as an extra, and it was worth every penny. The whole thing was like a GFE but with a bit of PSE thrown in for good measure. There was some time left to spare and she asked me if i wanted to go again or if i would prefer a massage. Went for the massage and it was nice and relaxing. Left there feeling much better than when i arrived... money very well spent.
