### The Premises:

First floor HOD premises in Victoria. Probably the nicest of the 3. Cosy and clean, friendly maid.

### The Lady:

Both are gorgeous Romanian ladies and look just like the photos. Adrienne is taller and blonde with great legs and pretty much everything else. Dollar is more petite (though not tiny), perfect body and amazing lips. Both are friendly and warm with a great sense of humour. Individually they must be fantastic, but together they blow your mind (well, not just your mind).

### The Story:

This wasn't my first threesome, but it was by far the best. These two ladies are not only incredibly gorgeous but have great chemistry together. Double BJ was unbelievable and would have gladly done just that for the entire time, not least because they both seem to enjoy it so much. But went on to other positions and didn't regret it for a second. Doggie with Dollar while she goes down on Adrienne is an image that will never leave my mind. Decided to finish with oral though because it was so good, and Adrienne was ok with CIM so perfect ending too. Had a little time left and we just sat on the bed chatting. I'm just grateful i don't live in london coz this could be seriously addictive ;)
