The Premises:

Easy to find hotel a few minutes walk from Woking train station. Very good communications from Pixiee on the phone to find it. I had a nice shower when I arrived.

The Lady:

I have seen Pixiee many times over the years and today's visit won't be the last. She is naturally beautiful and has had no Botox or fillers and her gorgeous breasts have had no surgery. Her long natural black hair is all her own, she has lovely eyes and her dark eyebrows are lovely. She has a pierced tongue and belly plus a few tattoos. She ticks all the boxes for me hence why I keep coming back to see her. Add her great personality to her looks and you have a perfect package.

The Story:

I arrived in the hotel room and after handing over the money had a shower before lying on the bed with Pixiee. We were catching up and talking about things like football while she was giving me a hand job. The more you see Pixiee, the more you have to talk about, particularly football. After a few minutes of playing with my cock, she gave me some sublime OWO. If you have seen any of her videos on the porn sites, particularly her POV ones, this was exactly like that. Sometimes I had to pinch myself that one of my favourite porn stars was doing this to me. She used her tongue a lot and at my request she planted little kisses on my cock. She slowed down the blow job slightly and it was bliss. I then asked if we could have sex and I put the condom on and entered Pixiee in the missionary position, where I stayed, for some gorgeous sex. After nearly fifteen minutes of sex, I pulled out and tried to cum. Unfortunately, I am nearly twice Pixiee's age and struggled to cum on her tits, as I said I would do. She tried to revive me by licking my balls while I wanked but to no avail. I then tried wanking after she turned around showing her gorgeous bum, but still I couldn't cum. No pressure from Pixiee, who couldn't have been nicer about it. Put it down to my age!

I will always see Pixiee whenever I can when she tours London and the south of England. To me she is perfect and all I look for when I want to see an escort. Very, very highly recommended!

(If you're reading this Pixiee, thanks and I did manage to cum over on of your videos tonight!)
