The Premises:

A private flat with buzzer/intercom entry. It was a short walk from London Bridge railway station. It was very warm inside the room, but it was comfortable. The bed was a sofa bed, not the most comfortable.

The Lady:

As pictured, an attractive Moldovan girl with B cup breasts. She had a roundish, peachy bottom.

The Story:

It was a standard session, but I did enjoy it. Ellie gave me uncovered oral while we were both standing. We moved to the bed which wasn't too comfortable and she put a condom on me. She then gave me covered oral and she also licked my balls. We then had sex in doggy position and I struggled a bit, but eventually reached a climax.

I definitely have been to that tower block before. The room we were in had a curtain partition and I could hear another girl on the other side.
