### The Premises:

Flat in the Dallow Road area, I've reviewed the place several times.

### The Lady:

Chinese, small tits, elongated nipples, shaven pussy (unusual) for a Chinese woman, not fantastic to look at, slim, nice arse

### The Story:

As usual I phoned and was told she was available even tho it was earlier than they normally start.

Arrived, knocked on the door and up the stairs.

She was making the bed as she had not long got out of it.

To cut a long story short, I amused myself, having stripped naked, by touching her up and wanking while she tidied the bed stuff away.

Then I laid her on the bed and licked her out before pushing her knees to her ears and pushing into her.

Nice and tight and wet.

Made the usual noises about me being too big but she took it deep as I gave her a good old fashioned fucking.

Got a good view of the action with her legs up around her head and pinned her into the position I wanted her in.

Blew my load but continued fucking her til I went soft then pulled out and got her to pull the condom off and clean me up.

Thoroughly enjoyed myself. I don't get as many opportunities as I used to but this is still my go to place.
