The Premises:

Usual place in Fenny Stratford. Clean, well run, easy to park, discrete. A good experience and well run.

The Lady:

Curvy and pretty, just my type. Very chatty as well to put your at ease. Even though this was my first time with Jodie she made it a good experience. Cracking boobs as well and a firm bum. Nice lady.

The Story:

Showered (come on lads have some respect and get clean). Jodie kept her bra, knickers and stockings on at first. Good firm massage in all the right places. Proceeding top a very very nice reach under occasionally which is really my thing. After some good massage and a head massage she removed her clothes and proceeded to rub up and down my back with her boobs and body. Very nice indeed. Onto my front and Jodie got more intimate with a touch that was very delicate but sensual. Some nice body sliding and the occasional tit wank added to it. I was very hard and after a while with Jodie playing with my balls and cock I soon exploded in a great orgasm. Light touching allowed as per the rules which was good as well. No eye contact when on top which was ok but a little disappointing but I then chose to close my eyes which was very cool so no issue really. Cleaned up and a shower Jodie rubbed my back with some scrub which was lovely.

Overall a great experience and one I will repeat.
