The Premises:

Clean, nicely decorated quiet house and room in central MK. Power shower. Free parking outside.

The Lady:

Pretty lady, late 20s, natural looking with little or no makeup. Athletic body, plainly dressed in long t-shirt dress. Her self description on AW 'friendly masseuse girl, warm caring person who wants to help and make people feel better' is pretty much how she comes across. She is down to earth, speaking fluent English with a Bulgarian accent.

The Story:

Service offered was massage with oral and body-to-body to finish. I wasn't asked what sort of massage I wanted but got a hard deep tissue one which was really very good. Finale was A1++ - if you visit (which I would highly recommend) I would just leave that to her, a true expert.

A booking of less than one hour probably isn't enough. I'll be returning asap.
