The Lady:

Katherine is exactly as described in her profiles but even better looking in the flesh. She is very tall especially in her heels with legs that go on for miles and curves in all the right places. She has a beautiful smile and wicked sense of humour. She clearly loves her job and is a fully enthusiastic lover. If you are looking for an amazing time with someone who is 100% all woman then look no further.

The Story:

On this occasion I enjoyed a GFE with Katherine which was performed with her usual expertise and enthusiasm. She is a very skilled lover who will use all her experience and amazing body to ensure that both you and she have a fantastic time enjoying each other. All the usual services are on offer and were much enjoyed. An absolutely stunning lady, and above all great fun who I thoroughly recommend
