The Premises:

Anna has a basement flat in a pleasant square close to Bayswater tube. The flat is small but clean and comfortable, with a shower big enough to share.

The Lady:

Anna is a pretty young Thai woman in her 20's. She is fairly tall, with a voluptuous figure and large breasts, which are delightfully soft. She looks just like her photos, and her raunchy video tells you what to expect!

The Story:

I saw Anna when she first arrived on the scene, and I reviewed her favourably on account of her looks, her enthusiasm, and general sexiness. I am pleased to say none of that has lessened, and in fact if anything has increased. She is attentive and good-natured. Her range of services has become more extensive, and delivered with enthusiasm, and a desire to please.
