### The Premises:

clean and safe adres in the city.

### The Lady:

she absolutely beautiful and clean. just like her pictures. Nice ass and very tight shaven pussy and she gets wet. Never seen something like it before. Also nice pair of tits. Great to suck on. A woman i could fall in love with.

### The Story:

It was fantastic. What a lady. She is super horny chick. This was my second meet. I knew what to expect and so did she ;0).

I know she prefers older dominate men or any dude that spoils her with gifts (she a business woman) but what she also likes is well endowed white guys. I fall in the last category.

My oh my. What a treat NVC is.

We started of with a shower and it was on. Threw her on the bed. She likes when you dominate her (not in an aggressive way). Give her good spanking. What a nice piece of ass.

Some face sitting so i could worship that booty. After that she worshiped my cock. loved the dirty talk. My cock got her wet. I was not even eating or playing with her pussy.

It was my turn again i licked of her whole body. teased her pussy and again she was dripping. such a horny young lady.

I loved eating her pussy. So tight and pink. I also gave her some rimming. She loves that and do it the right way NVC will come like a waterfall. Like i said she is tight and i do not want brag but i am hung and i needed her wet to get it in. Doggy is fantastic. what a view. We have done multiple position. NVC is very flexible. I made her cum and came quite fast myself i could not control it. She wanted me to explode on her tits.

After some drinks and snack off to round 2. We did the same thing again but was able to come less quick.

I booked for an hour but I was allowed to stay longer because was client of the day.

I was exhausted and took a cab home instead of the tube. The only problem with Naomi is her

hourly rate ;0(.
