### The Lady:

Alya is stunning. Her pictures on the website just don't do her justice. Nice friendly personality and very easy to hold a conversation with.

### The Story:

Great experience with Alya. Very accommodating to my requests especially when I said I was to finish off right at the end of my time.

Gave me the best blow job ever, had to tell to stop at points as I was so close to finishing. Went down on her and what a site, spent ages there. Her boobs are enhanced but nice and juicy especially those nipples. Would highly recommend visiting Alya!
