The Premises:

The well reviewed House of Divine - good neighbourhood, clean, safe, discreet

The Lady:

Maya's profile pictures are spot on - low 20s, petite body with nice sleek sports car curves - the kind of model you would see in a Fast and the Furious movie wearing a bikini and tight short shorts. Pretty as well - cute as a button.

The Story:

It was a chance encounter - I had actually called hoping to get time with Alyssia - but as she was taken, I picked Maya based on her reviews and photos. I am usually very wary of EE girls and particularly Romanian girls, as I have always had negative experiences.

However - Maya has completely changed my mind - she is a sweetheart - lovely personality, cracking body, and great attitude.

PROS

>Very pretty - and more importantly - sweet personality

>Petite, but curvy bottom, nice bony hips, nice toned abs and cute handful of boobs

>I usually go for GFE, kissing, cuddling, then a couple of vanilla positions - everything went well, and executed with skill and right amount of passion.

CONS

>None really - she was one of those rare outstanding punts. The only downside is that now that I've given her a good review - it might be harder to actually get time with her!

>If I really had to nitpick - the kissing didn't have any tongue (i.e. not a FK) - but the kisses were so deep and passionate anyway that I didn't mind at all.

Treat her well gents!

And if Maya is reading this - I'll raise a shot of polinka to you this Xmas!
