The Story:

I had a lovely return trip to see Rae recently. She is very easy to talk to and is very pretty - such a good looking girl. Had a nice chat and a little rub before the action. She then lubbed up my willy and gave me some excellent OWO with a very nice firm touch. Then rubbered up and gave her a good pounding in missionary position. Lots of eye contact. Nice light French kissing too. I then felt the urge. She gave me one of the best BJs ever! OWO with really firm touch lots of tounge and hand play leading to a very strong orgasm with a CIM finish. Still time on the clock had a clean up and a nice chat. Thank you for a great time and see you again soon.
