The Lady:

Stunning young lady quite new to this area so the only photo does not do this girl justice. She is a beautiful English Caribbean girl with the most amazing body. Very good and polite manner with such a calming voice. Very intelligent too. She warned me that the next 30 mins will be at a level I'd not experienced before, man was she right there. Her technique was something special that took me to new sexual heights. Maybe I've led a sheltered life ha! Can't imagine it getting any better!

The Story:

After the shower upon her return to the room Eva calmed my nerves with a nice massage teasing me throughout. She is very friendly and chatty which I find relaxing. Her really dark skin was blemish free and so silky smooth. She loved the attention I paid to those wonderful breasts and frequently told me how much she was liking her nipples sucked and licked. I then turned my oral attentions downstairs, this girl can put her big toes in her ears oooooof it was something else I can tell you. Giving her head seemed to really please her which is good because I love it and she moved into the 69 seeing that amazing body of hers on top of mine in the ceiling mirror made me blow in this position so didn't get to enter her. All the more reason to choose Eva again real soon
