### The Premises:

One of Annabellas normal new apartments located in the Hub.

Easy to get to by car, parking is free at the Sainsbury's and then a minute walk to the apartment block.

Plenty of people coming and going, so you don't stand out from the crowd.

### The Lady:

As per the website, although predictably better in person.

Dollar is a petite Romanian girl, very slim with natural pert breasts and lovely bum.

### The Story:

Due to traffic I had to cut the appointment down from 45 to 30 minutes. As I've got older I like to take my time a bit and 30 minutes might not be enough to guarantee satisfaction.

No danger of that with Dollar though. I had to ask her to ease off a couple of times to prevent an early finish.

Dollar gave me a great experience I have absolutely no problem in recommending her she's a great GFE. I will definitely see her again as soon as possible.
