### The Premises:

A basic and lived-in ground floor conversion flat close to Croydon Minster on the Waddon side of Roman Way. Parking is difficult. The entrance is very exposed and in full view of the street and those walking by. The bathroom looked okay although I didn't try out the facilities.

### The Lady:

Maya is a good looking tanned Brazilian girl in her mid 20s with a particularly nice arse. Her AW photos are accurate. She was pleasant but speaks little English.

### The Story:

This short-notice booking was not a good experience. Maya was friendly enough but I feared the worst when she set her phone to count down 30 minutes as soon as the paperwork had been completed. No kissing was allowed despite her AW profile claiming that she likes DFK. Nor was touching or licking her pussy allowed.

With Maya repeatedly keeping an eye on her phone to count the minutes down, the whole experience felt rushed. There was virtually no eye contact throughout. The session consisted of a couple of minutes mutual caressing before she put the jonny on me. I gave her breasts a good lick and got her nipples nice and hard before Maya gave me a covered BJ. This was actually very good but didn't last long before she lubed herself up and rode me cowgirl. We then moved on to doggy at which point I came as I didn't see much point in prolonging the experience.

Overall Maya seems to see this line of work as easy money without needing to provide a decent service. I was in and out in 20 minutes. I won't be returning and recommend that fellow punters also give her a miss.
