The Lady:

I had decided to treat myself for Christmas and rung up to arrange two 1hr back-to-back sessions with Michaela and Maya. Unfortunately I had left it too late and neither were available at the time I wanted. On being told who was available at the time I wanted, I settled on Sophia and Jamiee.

The Story:

Round 1, Sophia.

Sophia entered the room and after a quick kiss asked what I was looking for today. I went for my usual which is an entire hour of edging. This was no problem for Sophia, so I paid the money, undressed and we got straight onto the bed. What followed was an hour of the most sensual cock fondling I think I have ever experienced and that is saying something! Sophie played with my cock and balls continuously and conversation flowed very easily. As the hour was drawing to a close Sophia asked if I wanted to cum - I wanted to so much but decided against it so that I could save myself for Round 2 with Jamiee.

Round 2, Jamiee

Sophia then left the room and was replaced with Jamiee. When Jamiee entered the room - O.M.G - tall, slim, very long black hair as in her photos on the website and a beautiful pair of tits that were just the right size. Certainly on a par with Jess in the looks department. A quick kiss and got the paperwork out of the way. Jamiee invited me to caress her body whilst kissing before moving onto the bed and presenting me with the most gorgeous shaved pussy which I was eager to explore with my tongue. The rest of the hour just went by so quickly and consisted of the most amazing OWO which I had to stop Jamiee on a number of occasions to save blowing my load too early. The BJ

and HJ was interspersed with lots of FK before donning the raincoat and Jamiee mounting me cowgirl. This girl has the most wonderful repertoire and I had to curtail the action before I came too soon. Back to the BJ and finally a HJ to finish me off.

I'm glad I opted for the 2 sessions back-to-back and only wish I had taken more money to extend or see one of the other girls too.

All in all one of the best punts I've ever had. Annabella's is going to bankrupt me at this rate - so many stunning girls to chose from and I haven't had a bad experience yet.

Sophia, enjoy your holidays and I look forward to seeing you again in the New Year, and Jamiee thanks for a mind-blowing experience and I hope you enjoy your pork for Christmas :)
