### The Premises:

Functional apartment on third floor of dated building near Olympia. There is a cage style lift but good luck figuring it out, i took the stairs up.

### The Lady:

Nikita has been at maxes a fair while but i never got around to seeing her. However, after seeing her mind-blowing new photos - wow! - i just had to make an appointment asap. Pictures are 100% accurate. Very attractive with a killer body.

### The Story:

To be honest i can't remember what she was wearing when she greeted me - something conservative - maybe a dressing gown. What i do remember is that after i returned from the bathroom she had on the most incredibly sexy black lingerie. I thought my eyes were going to pop out of my head - she looked that good - and she knows how to move as well; slow, sultry and sexy.

She whipped off my towel and went to work on my throbbing cock; sucking, squeezing and fondling. I knew i wouldn't last long (again) so stripped her, ravished her incredible body, then fucked her long and hard from behind. Pretty simple matter of course.

I booked for 90 mins but it was all over in about 30. I didn't care - i had the best time. She was amazing.

A great girl. Very attentive and personable. We had a nice chat and a cup of tea afterwards. I will definitely be returning soon.
