### The Premises:

Clean and cosy flat not far from tube. Apparently another lady i'd seen works upstairs, but i didn't reacquaint (?!). Vivienne gave me a nice little tour of the place - even showing me her glitterball!

### The Lady:

Absolutely gorgeous. Very attractive with a great body. She's quite small, but then so am i, so we were a good fit. She had a nice classy dress on when she welcomed me, framed her sexy figure perfectly.

### The Story:

To use the cliché she's a real firecracker. Very chatty and energetic, she changed into some racy lingerie whilst i was washing. Super sexy, she certainly had my full attention.

I don't think we bothered with oral - didn't need to - some DFK then straight into the sex. First missionary and then a variation on the split reeds position. She's quite chatty whilst i was shagging her, encouraging me on and even telling me how great my technique was! - we all know its bollocks but i didn't mind, it was kind of encouraging and made for a better experience.

We finished in doggy in front of the mirror all the while with her encouraging me on to full effect.

A wonderful, energetic, fun, flirty lady with a great attitude. I really enjoyed her company and will be sure to be back early in the new year.
