The Premises:

She currently entertains from an apartment in Marylebone but when i saw her it was near Gloucester Road. A friends flat i think, but it was immaculate - modern, stylish yet very comfortable

The Lady:

The embodiment of style, finesse and refinement. Pure class. Another of the uber-babe sorority. Strikingly attractive with a lithe, supple body.

The Story:

Annabelle just oozes style and sophistication. Cultured and educated she offers par excellence colloquy prior to intimacies.

Immaculately attired in her designer dress and heels she changed into some exotic lingerie whilst i was washing. Very sensual, very exotic and very alluring. Bedroom activities were slow yet intense, transitioning seamlessly through a variety of positions. Long slow deep breaths, then earth shattering climax.

The definitive experience on another level. Mind, body, spirit and emotion aligned in common purpose. One for the artisans.
