Safe place, I was a walk in!

The Lady:

Nice looking.

The Story:

After a brief shower Christina came in looking just great. She is a very pretty lass and after sorting out her things and bed covers (she took some dirty bed covers away) we began with standing kissing (nice) then OWO (kneeling by the mirror); then more owo on the bed. This continued until cob.

Today no facial /cof was on offer which confused me (is that listed as part of her services?); and it was a day for extremely light downstairs fingerwork and no nipple-work due to overuse on previous occasions.

Overall this was a good session as I was tired and I was happy with lots of owo / hand relief and a light PM. (Condom on finger & lube)!

I wish Christina well.
Thank you.
