### The Premises:

House of Divine 2 - good - reviewed 100 times - nothing to add

### The Lady:

'Pocket rocket' - Romanian/Arab looks - friendly demeanor - good body - good artificial (firm) boobs

### The Story:

I am torn between neutral and recommend. She looks like Jasmin from Aladdin - so I fantasised a bit that Jasmine was having to fuck people on the side in the palace.

She is generally friendly.

But I guess we never really clicked - could just be that I'm spoilt by other super starts at HoD - read on.

#### PRO

>came in straight away - some people like this - I like being given a couple of minutes to settle in.

>great body, friendly, great pussy - I barely lasted 5-10mins once we started fucking.

#### CONS

>Her profile has FK and DFK. She didn't offer either, even after I made it clear that I wanted a kiss and cuddle gfe. Kissing was very limited - a few pecks - and most of the time she would pull her face away. It wasn't me (mouthwash, fresh etc etc).

This was particularly disappointing as most of her reviews make it sound like a session with her will be a crazy PSE with lots of DFK and crazy BJ action.

>The whole session felt slightly rushed for some reason - she kept glancing at the clock while we were in doggy, and she never settled into the cuddling - always breaking off as if to move onto 'condom and fuck'.

>We finished in missionary - I came hard - but I usually have multiple waves of orgasmed - and I like to enjoy it for a few seconds before pulling out. She didn't wait for me to finish - after the first wave, she interrupts with - how was it, and starts to move away. This has happened previously with another Romanian girl, some time ago - do Romanian guys just cum and run?? Basically she didn't even wait for me to finish cumming.

If you don't mind the cons - she seems a sweet girl - just not for me.

I didn't want to give her a negative or neutral review, because it wasn't really a bad experience. I guess my expectations were different based on the reviews.

Which is why I'm leaving this one.

Most of the other reviews are much older - so it's possible that she is so popular now that she does not feel the need to give 100% to new clients.
