The Premises:

Small but tidy flat in Blackpool. I think this is just a working arrangement, because Jess told me she also uses a hotel when the flat isn't available.

The Lady:

Wow. Tall - towered over my 5'8" in her heels, and was still a bit taller than me when she took them off. Long shapely legs, firm arse, nice body with C natural hooters and a good looking face. A/W quotes her dress size as 10, which seems about right, and her age is given as 31: I reckon the usual liberties have been taken with that number.

The Story:

I have been trying to set up a meet with this girl for almost two years now. She doesn't work every day, and I don't get over to Blackpool much. I'm glad I persevered.

This was a first rate session. I had requested a GFE meeting and for Jess to wear stockings. The stockings were worn with an LBD and black underwear. Jess was snogging my face off within seconds of me getting through the door. This went on for several minutes before any money changed hands. A quick break to hand over the cash and strip off - I had showered a little earlier so no need to bother with that - and then on the bed for a prolonged bout of general fooling around. This included one of the best blow jobs I have had for a very long time: speed and depth varied, a little bit of spitting and plenty of eye contact. I did my fair share of licking as well, during which Jess got pretty turned on. Real or an act? I couldn't tell but it certainly did the trick for me, so much so that when we finally got round to the main event after maybe 40 minutes I was soon letting fly into the bag. It usually takes at least 15 minutes and a couple of position changes to get me past the winning post, but when Jess started riding me cowgirl style I knew I wasn't going to be long. No rush to get me out after the clean up meant that I was probably there for 75 minutes all told.

My infrequent trips to Blackpool and Jessica's intermittent working days means that it might be a while before we meet again, but she is definitely on my revisit list.
