The Story:

I have seen Sky on numerous occasions now and it gets better every time as we learn each other's likes etc. Sky is a lovely down to earth girl who always does her best to please. She is an enthusiastic kisser and only anal is placed out of bounds. On occasions we have got together in the jacuzzi where her soapy ball and cock massage is out of this world. After repairing to the bed we have brought things to a conclusion by sex in cowgirl, or hand or blow jobs. All in all she is a top notch girl who totally gives herself to you. Love her to bits.
