The Premises:

Small self-contained flat a few minutes walk from Bayswater tube. Shower only bathroom, but clean and tidy. It has a small separate bedroom with a comfortable double bed.

The Lady:

Nicky is a pretty young Thai woman in her twenties. She is slim and busty, with nice legs and bum. Her photos are a good representation of her.

The Story:

We started with an intimate shared shower before moving to the bedroom for a really enjoyable session of mutual oral, 69, rim and sex (inc a level) in various positions. Nicky gave a lovely relaxing oil massage to conclude the hour. Had another assisted shower before departing.
