The Lady:

Tara is of medium hight with a beautiful face a pirate smile and please punish me eyes.

Her bum is made for spanking, she had perfect breasts and a cracking figure.

The Story:

My experience started with a quick chat to see how we were going to play, she was a naughty school girl who's sir had to punish her. Over the bench her ass soon went red with paddle marks, she took her punishment well with some moaning and a few tears which added to the scene. After her punishment off to the bedroom to please sir which she did like a little slut. Best time ever!!!
