The Story:

Got in maid offered me a drink immediately she was very charming also. Dollar came in a couple of minutes later I gave her the paperwork and we both undressed. I've been with Dollar a couple of times and every punt I've had with her has been enjoyable she makes a great playmate. Her blowjob which was owo was very good and her enhanced lips truly do give advantage here. Sex was in the three main positions at which she commented that i was like the Duracell bunny which I chose to take as a complement on my endurance rather than boredom of me going on too long. A good way to end 2019 with a solid and enjoyable punt. Her and her friend Adrienne are worth visiting and would be ideal if you wanted a two girl combo with discretion.
