The Premises:

A nice apartment, not far from the tube station and easy to find in Bayswater. Flat is a few flights up, so you don't want to be incredibly unfit or disabled. Nice and cosy inside, plenty of space and a nice room. Shower is fine, everything was as it should be.

The Lady:

Liza definitely looks like her pictures. She's in her 30's apparently, and it's nice to see that it's clear on her profile at Butterfly Touch. And this is one of the escorts that could quite easily get away with saying she is much younger. She looks terrific, with a great figure. She's all natural too, with some very nice curvaceous yet slim hips. A great ass, and lovely boobs. Her face is kind and very pretty, and her hair is loose and wavy, as it is in her pictures. Liza speaks fluent English, and she has a lovely personality. Overall, I was very impressed with her.

The Story:

She was wearing a lovely silk, short gown when I arrived, and just her matching red underwear underneath, with high heels. She looked stunning. She kissed me affectionately like a girlfriend would and we chatted whilst we dealt with paperwork etc. She has a great sense of humour, and is very comfortable and confident. I really enjoyed being in her company, and I knew that it was going to be good.

I had booked her through Butterfly Touch for a couple of reasons. I always get along well with the receptionist and she always guides me well, and they usually have the best massage girls. I had seen Liza on a couple of other agency a while ago, but she had disappeared lately. It said she did massage, so I booked. I was in the mood for a relaxing experience more than anything else. Liza didn't disappoint. Whilst it wasn't a full on tantric, body to body massage, it was nice and relaxing, and it's clear that she knows what she's doing. Had I asked for a body to body service, she would have no doubt been able to I'm sure. Her massage lasted for a nice amount of time. She used some oil and really went to town in a full body sense. The conversation was calm, yet intellectually stimulating too. Much more than I expected from an eastern European girl.

When she turned me over, she didn't take long to pay some special attention to the old chap. We

kissed and she took off her underwear. Those tits are really beautiful and I spent some time playing with and kissing them. It wasn't long before I had her give me a blow job. It was one of the best, I have to say. Very wet, and she really knows what to do. I decided right there and then that this is where I wanted to end. I'd had a busy couple of days and really didn't feel like full sex to be honest. I just wanted to be pampered, and Liza did this very well indeed. A real girlfriend experience. In the end, when I came, she sucked me right up to me spurting out and she pulled off, leaving cum dripping off her lips. A wonderful woman, and an experience I would definitely repeat. A nice shower and some more chatting saw an end to our time together.
