### The Premises:

Easy to find flat two minutes walk from West Kensington tube station. Had a shower when I arrived and was offered a drink by the maid. Usual high standard House of Divine premises.

### The Lady:

Eden is like the student you see on the bus or train and would like to know more but is way out of your league! She is simply stunning and has a bubbly personality, too. Not much over five foot tall, she is petite with the most amazing breasts you are likely to see, one of them pierced, too. A lovely shaved pussy and a nice curvy bum, she is the perfect package.

### The Story:

I arrived a few minutes early and had a shower. When I got out of the shower, Eden was already in the room and gave me a kiss on the lips. I sorted the money out immediately and then it was onto the bed. Eden started kissing me and then started licking my nipples. I asked her to bite them, which she did and this was a real turn on. More DFK before she went in between my legs and started licking my balls. Not too long before she gave me some sublime OWO, with plenty of eye contact. At some points she gave me some lovely deep throat. This soon turned into a gorgeous 69. On with the condom and we had some really nice slow sex with me in the missionary position. Eden said she liked it slow and sensual like this. As I got faster, she was saying "fuck me". She had a lovely smile during sex and again had plenty of eye contact. We were kissing a lot during the sex, too. I asked Eden to go on top and she rode me and it was fantastic. Sensing I was quite close to cumming, I went on top again for more sex till I pulled out and wanked over the beautiful breasts.

I enjoyed every second of my time with Eden. She is as perfect as can be. A lovely person and I look forward to seeing her again this year. An absolute pleasure to have her as the first woman I have had sex with in the twenties!

Highly recommended. Hell, yes!!!
