The Premises:

She shares the flat her room his clean, with everything in it, a short walk from the tube but the mattress is in my very humble opinion crap.

The Lady:

Exactly like her pictures, a walking heart attack natural body, amazing smile & gaze.... Zoe in a nutshell !

The Story:

I was greeted by Zoe in a short and really sexy slim black dress, she brought me to the room in the flat. The usual shower and money out of the way, she started to undress in a very very sexy way against me while also taking care of me which she did during the next 2 hours. Her BJ skills are good, she has stamina despite the little accident we had doing it, she seems to enjoy more her Alevel than the rest... but she's definitely a naughty GFE do not expect any kind of PSE experience that's not the girl for you. to be noted she's extremely friendly and caring.

Lastly to be honest we did not click at all (such light FK is telling), my experience is reflecting that nevertheless she's definitely a girl to see, because if you do click you're in for a hell of a ride !
