The Premises:

Lara works from a clean and modern apartment in West London. Nearest train station is a few minutes' walk away. If coming by car nearest parking maybe 20 mins walk a way.

The Lady:

Lara has a cute young face that I found very attractive, and as then say "beauty is in the eyes of the beholder". Look closely at her profile pics and you can see.

Lara has a very slim "Wow" body. Not a hint of fat and very fit. Boobs just a size A maybe but very perky and in well in proportion on her body. Legs and arse to die for.

The Story:

Phoned her the day before and confirmed that she has a secretary outfit as advertised. (She has a good range of uniforms.) Made the booking on the phone and I immediately received the postcode by text.

Also confirmed the booking on adult work. She was running 30min late on the day but good comms by text.

Meeting Lara at the door and MMMMM locking good in her secretary outfit. Handed over the paperwork and went to wash my hands in her well-equipped bathroom.

Returned to the bedroom and started to make out whole standing. Kissing her neck that she loves and also her lips, all the time groping and founding here cute young body. Arse being a perfect handful.

A few minutes of that that and then she sits and removes her top for me. Lovely little tits on her. standing in front of her she unbuckles my belt and soon gets to work on some OWO.

I finger her some through panties before removing them to provide her some RO.

Getting hot it was time for protection, which she covered over me before the main event. She goes for reverse cow girl which was a sight to remember. I got her to stand, hands up against the wardrobe to take her fully from behind.

She is making all the right noises and we returned to the bed for mish. A few minutes of that and I explode, her cute little body and face too much for me.

She cleans me up and we chat some, I being a mature one pop guy. She has a cat that she loves and has been in this line of work a few years now. I get dressed and we say our goodbyes.

I left a happy man, from a service provider that I would highly recommended.
