very attractive girl next door look with a beautiful smile and great personality,she is very British but confirmed my suspicion when she told me she is a latina descent .Gym toned but curvy with nice boobs and a cracking caboose.A star.

### The Story:

I have been to Ego several times and my favorite has been Jess since Poppy left but Layla has got skills, massage was firm and sensual at the same time.when i turned over my back her hand strokes were heavenly, she is now on top of my list.Will definitely see her atleast twice a month.I enjoyed it too much.
